Monin Cafe Syrup Syrups and Cordials From Cream Supplies

In the exquisite and creative world of MONIN quality innovation versatility and service are our priorities. We are dedicated to providing our customers with the best flavours to use in the most popular and versatile applications. Our strength lies in anticipating the needs of consumers wherever they are. Only the best natural ingredients (fruits flowers spices & nuts....) are selected from all over the world to guarantee the pure consistent taste in all our products all year long. MONIN syrups are made exclusively from pure sugar which ensures optimal restitution of the flavour and respect for all other ingredients. CoffeeCoffee is the widely known beverage made of coffee seeds more generally called coffee beans. The coffee plant which produces those seeds was discovered in Ethiopia but its culture spread to other countries producing different coffee blends. In order to make what is one of the most popular beverages worldwide the coffee beans have to be dried roasted and brewed. The smell of coffee is recognized as a good means to restore appetite and refresh olfactory receptors. It is of course also mostly appreciated for its taste and for being a great morning awakener because of its caffeine content. With MONIN coffee syrup you will not need to take care of your brew and the preparation of your coffee: simply pour it over your hot or cold application and you will feel the intense taste of a Columbian coffee! Colour: Dark brown with gold glints. Tasting notes: Intense bitter filter coffee nose. Taste of brewed coffee with some after notes of typical Columbian coffee. Applications: Dessert drinks cocktails lattes. Please note: Not compatible with tea.
