La Voz del Diablo (Las Brujas de Mayfair) Professor Anne Rice

The eponymous Lasher is a demon spirit who preys on female Mayfairs in his attempt to procreate. Rowan Mayfair, queen of the coven who has borne Lasher's child, has now disappeared. At times this main narrative is lost as the story moves from the Louisiana Mayfairs to the Scottish Donnelaiths and the clandestine London Telamasca society, with copious personal histories and myriad characters.
