Los Angeles de Atlantis F E Eckard Strohm

An inspiring book, "Los Angeles de Atlantis" teaches us an often forgotten technique: the ability to connect with angels forces with individualized consciousnesses. When we receive their wisdom, we are thus able to heal ourselves and those around us. This may sound like a fantastical tale; however, it is nothing but an application of the ancient Atlantic wisdom, fragmented but preserved to this day. "Los Angeles de Atlantis," by means of simple exercises, will open you to the possibility of accessing a new cosmic consciousness, full of wealth, joy, happiness, and harmony within your environment through animals, plants, and nature."
