The French Masonry provoked a dilemma between tradition and reason. Is Masonry an initiation school inherited of the ancient mysteries or a secret political society that has influenced the course of the history? This essay has the clues to understand the contradiction, the duality between esoterism and power, the hidden and silenced conspiracy of the history of Masonry. / Un ameno ensayo que explica las claves para comprender la gran contradiccion, la dualidad entre esoterismo y poder, la trama oculta y silenciada de la historia masonica.
