Cuaderno de Cuba Lapin

Cuaderno de Cuba is a complement to the art of vagrancy. Walking through it, you ll find authors, painters, musicians, political enthusiasts, tourists, and many others. Because this traveler is also a documentary filmmaker, his attractive drawings and diary entries are the succulent portrait of an island in times of radical transformation."

About the Author

Lapin is one of the leading figures of urban sketching. For him, drawing is a way to record every second of his life, a way to feel alive. He has illustrated more than one hundred books with sketches of places around the world.
